22nd September 1956] [Sri P. Ramamurthi]

Officer's Court will not be *prima facie* evidence that the particular tenant is a cultivating tenant and therefore entitled to the protection under this Act.

* THE HON. SRI M. A. MANICKAVELU : I do not think it is so. The Civil Court must tentatively decide that he is a cultivating tenant and then the case comes to the Revenue Divisioal Officer. That is what I understand we are providing for.

Then with regard to lawyers an allegation was made by the Leader of the Opposition. This is a matter to which I think I am not caled upon to reply here. I do not know even the details of the case. That is a matter on which I cannot say anything.

DEPUTY SPEAKER : I shall now put the motion to the vote of the House. The question is—

"That the Madras Cultivating Tenants Protection (Amendment) Bill, 1956 (L.A. Bill No. 10 of 1956), as amended, be passed."

The motion was put and carried and the Bill was passed.

DEPUTY SPEAKER : The House will now adjourn and meet again on Monday, the 24th September at 9 a.m.

The House then adjourned (12-50 p.m.).
